# WHY CHOOSE A T-REX GLOVE?

## AGGRESSIVE IMPACT PROTECTION

TPR deflects and absorbs impacts to the back of the hand and fingers

## RELENTLESS DURABILITY

Resilient materials and reinforced wear points deliver protection that endures

## EXTREME COMFORT

Flexible impact protection and a variety of lightweight shells give you unbeatable breathability & dexterity

## ROCK SOLID GRIP

Specialized materials provide excellent grip in dry, wet or oily conditions

## CHOOSE YOUR IMPACT PROTECTION

### M-FORCE DEFENSE SYSTEM®

Back-of-hand protection extends all the way to the fingertips to deflect and absorb impacts.

### LOW-PROFILE M-FORCE DEFENSE SYSTEM®

60% thinner than standard impact protection to deflect and absorb impacts while maintaining flexibility to prevent hand fatigue.

### M-FLEX DEFENSE SYSTEM®

Back-of-hand protection utilizes ultra-flex TPR design with 130 integrated flex points, pinch-point finger protection, and ventilation for breathability in warm environments.

### M-POWER DEFENSE SYSTEM™

Heavy-duty back-of-hand protection with a unique ventilated honeycomb design offers extreme protection with 9 times more airflow and maximum flexibility.

# PALM MATERIALS

# Custom T-REX

Customized logos keep your company on their hands and on their minds with your name, safety tagline, and even company colors!

## Why Custom Logos?

- ▶ Reinforce your safety message
- ▶ Reduce inventory mixing
- ▶ Increase compliance
- ▶ Boost your brand presence on the job site and set your workers apart
- ▶ Promote Safety Culture – let workers know you care about their safety and that you're willing to go the extra mile to help keep safety top of mind.

## Why Magid?

- ▶ Your one-stop safety supplier for the best gloves with your unique message
- ▶ Custom colors at no additional cost
- ▶ Small-run quantities as low as 2,500 – other companies insist on 20,000 to 30,000 minimum orders

## It's Easy!

1. Just give us your logo, tagline, and colors
2. We'll create 3 design options for you to choose from
3. Order in quantities as low as 2,500 gloves!

**Contact us today to talk about how we can customize the gloves that keep your workers safe!**
