## MAGID®

**Magid® Nitrile Dipped Cotton Jersey All Purpose  
Glove – Cut Level 2**

### PRODUCT DESCRIPTION

|                               |                                               |
|-------------------------------|-----------------------------------------------|
| <b>Product Classification</b> | All purpose                                   |
| <b>Construction/Design</b>    | 2-piece jersey shell dipped                   |
| <b>Composition</b>            | Nitrile dipped on cotton jersey               |
| <b>Color(s)</b>               | Blue coating on natural shell                 |
| <b>Size(s)</b>                | M-XL                                          |
| <b>Cuff/Finish</b>            | 2 ½ safety cuff                               |
| <b>Unit of Measure</b>        | Dozen                                         |
| <b>Packaging</b>              | Dozen per inner pack, 12 inner packs per case |

### FEATURES & BENEFITS

- Smooth-finish nitrile coating offers fantastic grip, even in wet and oily conditions
- 100% cotton jersey lining provides a comfortable fit while providing additional ruggedness that resists snags
- Safety cuff extends protection past the wrist and allows for an easy on and off
- Size stamp marked on each glove cuff provides ease in sorting and size identification
- PPG Tested
- Delivers ANSI Cut Level 2 Cut Protection

### APPLICATIONS

Metal handling, general labor, maintenance or any task that requires the handling of extremely abrasive surfaces.
