

BADGER BOOTS™

Waterproof, Durable And Comfortable Boots For Any Job

Works as hard as you to get the job done

The self-cleaning cleated outsole provides traction on indoor and outdoor surfaces.

Ideal Applications: Food Processing, Transportation, Utilities, Construction, General Industry, Municipalities, and Agriculture.

Chemical Resistance: Acids, alcohols, bases, and diluted water solutions of most chemicals that are water soluble. Not recommended for constant contact with petroleum and oil based products.

**The Badger works as hard as you to get the job done....
no matter the conditions**

Ultra-comfortable Badger Boots™ are 100% liquidproof and feature breathable Neoprene uppers* with extra width in the calf area for a more relaxed fit. A cushioned footbed helps absorb impact shock and a steel shank provides added arch support when ladder climbing or digging with shovels. The high quality rubber outsoles are abrasion resistant for long life and will remain flexible in cold temperatures. A cushioned, removable insole helps wick moisture to keep feet warm and dry for optimum protection and extraordinary comfort.

- 15" Ht. - Steel Toe.
- Meets ASTM F2413 M/I/C EH** for safety toe caps and Electrical Hazard protection.
- Steel shank for added arch support.
- High quality rubber and 5mm Neoprene with 2mm Airmesh construction are 100% waterproof and durable.
- Ultra comfortable breathable Neoprene upper with extra width in the calf area for a more relaxed fit.
- Reinforced heel cup improves comfort and improves stability to help prevent ankle turns.
- Snugleg last design hugs the foot for all day working comfort.
- Heel kick for easy hands free removal.
- Removable, cushioned insole helps wick moisture to keep feet warm and dry.
- Self-cleaning cleated outsole provides traction on indoor and outdoor surfaces.

87251	Black Upper – Black Cleated Outsole – Ht. 15" – Steel Toe – Steel Shank	4 - 14
80151	Insulated - Black Upper – Black Deep Lug Cleated Outsole – EVA Midsole - Ht. 17" – Plain Toe	4 - 14
87121	Black Upper – Black Cleated Outsole – Ht. 12" – Plain Toe – Steel Shank	4 - 14
87151	Black Upper – Black Cleated Outsole – Ht. 15" – Plain Toe – Steel Shank	4 - 14

*The insulated style #80151 features a fleece-lined, 5mm neoprene upper and an EVA midsole to insulate your feet from the cold air and ground. No steel shank in the insulated style.
** Boot shall withstand 18,000 volts at 60 HZ for 1 minute with no current flow or leakage current in excess of 1.0 milliamperes under dry conditions tested as per lab conditions in Test Method F2412. Electrical Hazard soles and heels are intended to reduce the hazards due to accidental contact with live electrical circuits, electrically energized conductors, parts or apparatus. Electrical Hazard soles and heels are not intended for wear in those work environments where volatile chemicals or explosives may be present, where conductive footwear is required.
Warning: Electric Hazard features of the soles and heels will deteriorate in wet environments, and when worn with excessive wear on the soles and heels.
