### SERVICE LIFE

The service life of this product will vary depending on the application and type of care administered. This product should be replaced immediately once a critical or major defect (as defined below) is noted.

|                         |                                                                           |
|-------------------------|---------------------------------------------------------------------------|
| <b>Critical Defects</b> | Holes/tears                                                               |
| <b>Major Defects</b>    | Dimensional or weight nonconformance, discoloration, other fabric defects |

### LAUNDERING GUIDELINES

Machine washable using soap or detergent. Air dry or tumble dry, low temperature setting. Use caution in drying process as gloves may shrink.
