

SHOWA 9700PF

This N-DEX® SHOWA 9700PF single-use glove is comfortable, offers highly tactile precision, and high-capacity protection in a wide range of applications. A rolled cuff prevents dirt from entering the glove, and the thicker nitrile construction provides a greater barrier to hazards. And featuring SHOWA's revolutionary Eco Best Technology® (EBT), these gloves are engineered for accelerated biodegradation in biologically active landfills.

BENEFITS

- Form-fitting
- Latex-free
- Disposable
- Increased sensitivity
- Textured Fingertips
- Biodegradable

FEATURES

- Powder-free
- Ergonomic
- Accelerator-free
- 100% Nitrile
- Rolled Cuff
- Unsupported
- Eco Best Technology® (EBT)

INDUSTRIES

Agriculture

Automotive

Municipal
Services

Pharmaceutical

USER INSTRUCTIONS

Gloves provide protection from chemical and mechanical hazards shown. Do not use gloves that show signs of wear. If required, cleanse outer surface of glove with running water. Discard used gloves in compliance with local regulations. Do not wear gloves when there is a risk of entanglement by moving parts of machines.

DISCLAIMER

The descriptions, characteristics, applications and photos are given for information purposes and do not constitute a contractual commitment. The manufacturer reserves the right to make any modifications it deems necessary.
