

K1 MID-SOLE - INTRINSIC

The K1 Series Mid-Sole intrinsic style ice cleat is the one-size-fits-all winter traction solution. The intrinsically safe design is certified to prevent sparking when working in areas where combustible material may be present.

- Available in Original, Low-Profile, and High-Profile styles to provide near-universal coverage of all footwear
- Intrinsic design is certified to prevent sparking when working in areas where combustible materials may be present
- Proud to be the only fully certified intrinsic ice-cleat brand in North America
- Strategically placed ice-penetrating spikes provide maximum traction on ice and snow
- Easy to use design rotates to top of foot to allow driving, climbing, and indoor use
- Hi-viz adjustable strap delivers a perfect fit and provides enhanced safety in low lit working conditions
- Specially formulated rubber pad provides maximum comfort and durability even in extreme cold weather conditions
