| SERVICE LIFE                                                                                                                                                                                                                                                            |                                                                                          |
| The service life of this product will vary depending on the application and type of care administered. This product should be replaced immediately once a critical or major defect (as defined below) is noted.                                                         |                                                                                          |
| Critical Defects                                                                                                                                                                                                                                                        | Holes/tears                                                                              |
| Major Defects                                                                                                                                                                                                                                                           | Dimensional or weight nonconformance, discoloration, other fabric defects                |
| LAUNDERING GUIDELINES                                                                                                                                                                                                                                                   |                                                                                          |
| For best results, leather gloves should be dry-cleaned only.                                                                                                                                                                                                            |                                                                                          |
